

AKGEC International Journal of Technology

ANNOUNCEMENT

Management of Ajay Kumar Garg Engineering College deeply appreciates the time and effort involved in preparation, submission, blind peer-review and publication of technical articles. Since last six years, the College has taken a landmark lead in this frontier that requires passionate dedication to achieve audacious goals.

Since its inception, the journal has published 135 articles, contributed by authors in India and abroad. Accolades received from professional fraternity reinforce our resolve to forge further in this task.

We wish to celebrate the seventh Anniversary of this effort via an epochal announcement.

To recognize the invaluable Intellectual contribution made by professionals in advancing the noble cause of dissemination of scientific and engineering knowledge, all published articles in Volume 7 onwards of the "*AKGEC International Journal of Technology*" will be suitably rewarded.

A prize of Rs.5,000 will be paid to the paper adjudged the best for each issue. For the balance, an amount of Rs.2,500 per article is earmarked.

In tune with the spirit of 'Digital India', the Honorarium will be electronically credited to authors' saving bank account. In response to our communication of acceptance of the manuscripts, the author will be expected to provide bank-details in a prescribed format to facilitate this task.
